

Registration Now Open!!

22 July 2026

Companions, Sir Knights, and Nevada Grand York Rite Masons, it is with honor that I share with you that the Colorado River Fall Festival is open for registration, and we anticipate your participation. The best way to find out information about the festival is through the following link <http://www.crff.org/>. In celebration of the **35th Anniversary** of the festival, we encourage full participation from Nevada Masons that are eligible to attend. This message is to sound the alarm for proper planning, and to ask that you take this information to interested brothers in your Blue Lodges, who may be interested in learning more about their journey. **Nevada Confers Council Degrees in 2026**

How it works:

If there is a candidate that you reasonably believe will be elected, the brother should register with the general registration form, which will be attached to this message. There is a registration deadline of 1 October 2026. If there is a need for exception, it must go through the secretary/recorder of the body in which this request will be sent up channel. **Examples of this would be:** late-in-the-month meetings for Chapter, Council, or Commandery, that require balloting on candidates, turn-around on documents, family member add-ons (wife attendance) etc. All should be appropriately addressed and sent to the secretary/recorder for proper notice. In other words, the 1 October 2026 deadline will be enforced. Requests for courtesy work must go through the Candidate Registrar!

Things to know:

The registration link: <http://www.crff.org/> will take you to the website where you will find drop downs that tell you about the festival, agenda, candidates, and ladies, which has participation from Arizona, California, Nevada, New Mexico, and Utah. The host hotel is the Riverside Hotel in Laughlin, Nevada, about 1 hour south of Las Vegas.
